Military Leave-Certificated Personnel and Support Staff

An employee who is a member of the National Guard, or an organized military service of the United States, and who is required by laws of the United States or the State of Missouri to report for military duty, including training, shall be eligible for a grant of military leave.

Application for military leave shall be made in advance, as soon as practicable after the employee becomes aware of his/her obligation to report and immediately upon the employee's receipt of official notice to report. A copy of the official orders must be added to the leave application. The Superintendent/designee must approve the application. Emergency mobilization orders shall be dealt with on an individual basis.

The District recognizes that employees who receive notice to report for duty typically are not provided with discretion as to when to report. However, whenever an employee has a choice as to when to report for military duty, the employee's military leave shall be arranged during periods in which school is not in session. When the employee is given a choice as to when to report for duty, the Superintendent/designee may request that the employee seek a change in military orders if such a change appears to be in the best interest of the District.

Employees shall receive leave with pay for the first fifteen (15) calendar days of military leave in each federal fiscal year. Additional military leave shall be without pay, except as required by federal and state law. The employee's district salary during periods in which the employee is entitled to leave with pay shall be reduced by a figure equivalent to the gross salary received from the State of Missouri or the Federal government for the same period. No employee shall be paid under this provision an amount in excess of the total salary the employee would have received while fulfilling the employee's regular assignment with the District.

Each employee shall furnish a copy of the employee's military payroll voucher to the Superintendent/designee within thirty (30) days of the employee's return to regular assignment so that the necessary salary adjustments can be made.

Employee eligibility for reinstatement after military duty is completed shall be determined in accordance with federal and state laws.
