

SUPPORT SERVICES

Policy 5551

Food Services Program

Qualifications and Conditions of Work

Food service personnel are elected as part time employees. They shall have ability commensurate with assignment and be of good moral character, in good health, neat in appearance and able to work harmoniously with others. Working hours shall be determined by the Superintendent and the director of food service. The rate of pay shall be set at the time of employment. Special training courses may be required as determined by the director.
