

# **Marionville Elementary School**

## **~~Mission/Vision~~**

Marionville Elementary will provide a healthy and safe environment for our children, produce community members with good citizenship and values by embracing differences, and cultivating high expectations for all learners through a positive partnership with families and community.

***School Motto: Teachers, staff, parents, students, and the community will work in unity to create an environment of success.***

### **Goals for Marionville Elementary:**

***\*Marionville Elementary will provide a healthy and safe environment for our children.***

#### **Objectives:**

1. With the projected date of Spring 2013, we will update and fully enclose our playground.
2. We will have zero tolerance for bullying.
3. We will maintain safe entrances by requiring all visitors to follow sign-in/out procedures.
4. We will implement a Health and Nutrition program.

***\*Marionville Elementary will produce community members with good citizenship and values.***

#### **Objectives:**

1. We will implement various programs that instill good citizenship and values by using local emergency personnel.

2. We will invite community members to speak with students about career choices.
3. We will continue to build upon the character education program currently in place.
4. We will reach out to local businesses by incorporating community projects.

***\*Marionville Elementary will embrace differences (i.e. – cultural, environmental, academic, etc.)***

**Objectives:**

1. We will maintain high expectations and provide intervention/enrichment opportunities school-wide.
2. We will integrate cultural, environmental, and academic differences into effective planning and strategies.
3. We will implement and provide resources for staff to utilize in helping non-English students and families.
4. We will utilize technology software and devices to aide in teaching and learning.

***\*Marionville Elementary will cultivate high expectations for all learners (students and adults).***

**Objectives:**

1. We will identify and assess improvement in learners through intervention.
2. We will celebrate improvements and achievements on a regular basis.
3. We will expect administrators, teachers, staff, and families, to play an active role in each student's learning process.
4. We will provide school-wide tutoring.
5. We will continue our growth and training as a professional learning community.

***\*Marionville Elementary will maintain a positive partnership with families and community.***

**Objectives:**

1. We will begin a parent volunteer training program.
2. We will provide resources to parents at our regular family nights.
3. We will expand Parent/Teacher conferences to twice a year.
4. With the projected date of Spring 2013, we will implement a parent/teacher organization.
