Tuesday, May 29	1st Day of Summer School ☺

Character Word for May: Dependable

May 1, 2012

Dear Parents,

I cannot believe this is the last parent newsletter for the 2011-2012 school year! We have a very busy May for our students! We will also be "gearing" up for summer school! We are very excited about that! We will have accelerated classes and classes to reinforce math and reading. Attendance incentives will be given to students as well. Be sure you enroll your child to attend! Summer school will begin on May 29th.

All students worked very hard on their end-of-year testing! Please note that their attendance incentives are noted on this newsletter. We had a lot of students who qualified to earn these trips. End-of-year field trips are also on this newsletter.

I want to thank all the students, parents, and community who have shown their continued support! We have had a wonderful school year and I look forward to an even better one next year!

Sincerely,

Ms. Christy Short, Principal
Marionville Elementary School

Marionville Elementary School

~~Mission/Vision~~

Marionville Elementary will provide a healthy and safe environment for our children, produce community members with good citizenship and values by embracing differences, and cultivating high expectations for all learners through a positive partnership with families and community.

School Motto: Teachers, staff, parents, students, and the community will work in unity to create an environment of success.
