Marionville High School

Building Level Improvement Plan

Vision Statement for 2016-2017

At Marionville High School, we will:

1. Work to achieve a common purpose and set measurable, specific goals.
2. Seek and implement proven strategies for improving student achievement on a continuing basis.
3. Seek professional development opportunities directly related to departmental and building goals.
4. Develop and maintain a written curriculum aligned to current state standards.

Goal Statement for 2016-2017

At Marionville High School, we will:

1. Receive scores equal to 90% or higher on MSIP College and Career Readiness Standards on our district Annual Performance Report.
 - a. Continue to offer onsite and off-site ACT workshops that identify proven strategies for success on the ACT test.
 - b. Continue to offer onsite testing for the ACT, ASVAB and Pre-ACT.
 - c. Identify opportunities to increase the percentage of students taking the ACT annually.
 - d. Identify probable causes and address declining ACT scores when applicable.
 - e. Encourage a rigorous course selection by students and parents on an annual basis.
 - f. Annually distribute information to parents on ACT resources offered at our school and strategies for improving ACT scores.
 - g. Continue to maximize our dual credit and dual enrollment offerings.
 - h. Monitor trends of our recent graduates that attend post-secondary education and/or training as well as those who enter the military.
2. Develop strategies to maintain an overall 96% attendance rate for the school year.
3. Explore programs in order to reach every student so that we can achieve a 100% graduation rate.
4. Receive a percentage of proficient and advance scores in each subject area for the yearly End of Course (EOC) Exams that is above the state average.
 - a. Obtain data needed to analyze past scores.
 - b. Develop and implement a plan designed to raise student performance on the End of Course Exams to the desired level.
 - c. Revise curriculum to reflect changes in instructional practice addressing various learning styles
