

Marionville Middle School		2017-2018							
Building Level Improvement Plan									
Mission: Marionville Middle School is committed to ensuring a safe and quality education for all by developing skills and character necessary for academic and career success.									
Goals:									
At Marionville Middle School, we will:									
1. Increase the percentage of students earning semester A's and B's to over 70%.									
2. Decrease the percentage of students earning semester D's and F's to below 10%.									
3. Score 5% higher than state averages in 6th grade and 10% higher than state averages in 7th and 8th grade on the MAP test.									
4. Decrease the total number of students that serve ISS/OSS by 5%.									
5. Communicate with parents regarding academic and discipline progress.									
6. Seek professional development opportunities to enhance instruction for student achievement.									
7. 80% of the students reading below their grade level will increase their reading level.									
8. Develop an online curriculum for core subject areas based on the new Missouri Learning Standards.									
Building Priority		Student Achievement							
Objective #1		Curriculum							
Assessment		Building data will be analyzed annually.							
Standard/Indicator		Strategy			Person Responsible	Start Date	Date Completed	Funded by
