**This letter will be sent out to eligible students at the beginning of the 2010-2011
SCHOOL YEAR**

Free Tutoring for Your Child!

Dear Parent/Guardian,

The Marionville R-IX School District is dedicated to helping your child succeed. Your child is eligible for tutoring services, at no cost to you. This service is provided through available Supplemental Service Providers. The program will provide your child with tutoring that is coordinated with what is being taught in school and may help improve your child's academic skills.

Under the No Child Left Behind federal law, schools who receive Title I funding and are identified in the school improvement process will provide this tutoring to eligible students. Students will be tutored in small group settings with no more than four students to a teacher to maximize the learning time each child receives.

Your permission and signature are required for your child to participate. Please complete the enclosed form and return it to the building office or your child's teacher if you are interested. We would like to start the tutoring programs as soon as possible.

Please contact me if you have questions or concerns.

Sincerely,

Ms. Christy Short, Principal
Marionville Elementary School
